

MF4122

MF4150

The MF4150/MF4122 will make the most out of a limited space or budget. Despite their **speedy printing** performance and a fast First Copy Output Time (FCOT) of **approx. 9 seconds**, they consume less than 5W of power in energy saving mode. Plus, with a **duplex printing** feature that saves paper and a **compact** footprint to maximize the area available, you can be sure they're an affordably smart choice.

Business **can** be simple

## Prints That Save Time And Paper

Get crisp 1200 x 600 dpi monochrome prints in a flash with the MF4150/MF4122. A USB 2.0 Hi-speed interface and **UFR II LT (Ultra Fast Rendering Lite)** technology – which utilizes the CPU's RAM to compress and manage data size. It also features a built-in **UFR chip** to balance job load between the printer and PC for a speeded-up printing process – ensuring documents are pushed out at a brisk **20ppm**. The automatic duplex printing feature produces double-sided prints on a single sheet of paper. The UFR II LT-empowered machines are compatible with PCs, Macs and Linux operating system too.

UFR II LT Print Driver provides double-sided and booklet printing for paper saving and convenient document output.

## It Doesn't Take Much For Beautiful Scans

The MF4150/MF4122's CIS scanner produces superb scans in **9600 x 9600 dpi** resolution while consuming just the minimum power needed. Retouch images with the **Dust & Scratch detection** feature, then save scans as **PDF, JPEG, TIFF** or **BMG** files. You can send them directly to your PC or attach them to an email or a file. The bundled **Presto! PageManager 7.15** and **ScanSoft® OmniPage SE 4.0** software allow for versatile scanning. There's also an **OCR** (Optical Character Recognition) function for text editing on image.

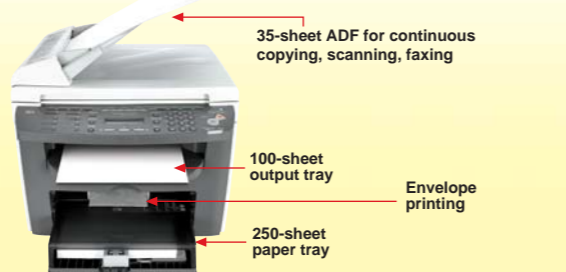

## Convenient, Quick Copying

Save on paper with the MF4150/MF4122's automatic **double-sided printing**. Documents are produced speedily at **20cpm** and in great **600 x 600 dpi** resolution. For further savings, the **2-on-1 copying** feature places 4 pages of data onto 1 double-sided page with its double-sided printing. You need to only consume 1 sheet to get 4 pages of data at 50% image size.

Its convenient zooming function allows you to enlarge or reduce images from **50% to 200%** at both preset or 1% increment value, and automatically collate copies for convenience.

The MF4150 also features a **35-sheet Automatic Document Feeder** for continuous copying, scanning and faxing. A high capacity paper tray built in both MF4150 and MF4122 could contain up to **250 sheets** of paper for continuous productivity. A single-sheet multi purpose (MP) feeder is available for **envelopes** and photo paper printing.

## A Fax You Can Rely On (MF4150 Only)

The MF4150's **Super G3 fax** feature transmits pages at just **3 seconds per page**. With 256 greyscale levels and a fax memory of up to 256 pages, you can rest assured messages will come through clearly – even when you run out of paper.

In addition, outgoing **PC-faxes** can be sent and settings can also be customized for further time and paper savings.

## Conserving Space And Energy

The MF4150/MF4122 are **RoHS-compliant**, which means they are free from lead and other hazardous chemical substances that pose a threat to your health. And with their compact designs that save space and extremely **low power consumption** of less than **5W** in energy saving mode, you can be certain the MF4150/MF4122 are environmentally and budget-friendly too, resulting in long-term **cost savings** for your daily operations.

## Added Bonuses

Convenient touches to make the MF4150/MF4122 even more user-friendly include a **2-line LCD** for **comfortable viewing** and a spacious paper output area to minimize paper fall-out. There's also a **Toner Gauge button** for reviewing the toner capacity. In addition, you can monitor usage at a touch with the **Print/Copy/Scan System Monitor** button which is built for the convenience of monitoring print/scan/copy jobs done on the device.

**FX-9 All-in-One Cartridge**  
You can only trust Genuine Canon Consumables for highest quality output and maximum performance from your Canon machines.
